CRN BEGINS 2010 WITH FOUR NEW MEMBERS

WASHINGTON, D.C., *January 6, 2010* — The Council for Responsible Nutrition (CRN), the dietary supplement industry's leading trade association, is pleased to announce the addition of the following four members to its roster: Voting Member—Robinson Pharma, Inc. of Santa Ana, Calif.; Associate Members—Kelley, Drye and Warren LLP of Washington, D.C.; KGK Synergize, Inc. of London, Ontario; and *Nutritional Outlook* Magazine of Los Angeles, Calif.

Robinson Pharma, Inc. is a full service custom contract manufacturer specializing in soft gelatin encapsulation of nutritional products. In addition to featuring one of the largest capacity nutritional products soft gelatin facilities in North America, Robinson Pharma, Inc. offers product development and ingredient sourcing, tablet compression, two piece hard shell encapsulation, custom finishing, powder blending, packaging, and a fully equipped in-house laboratory for qualitative and quantitative analytical services.

KGK Synergize, Inc. is a biotechnology company headquartered in Canada serving the nutraceutical industry with two separate divisions. The Contract Research Services division offers a wide range of research services to identify various health benefits from preclinical to clinical trials, data analysis, and consultation, while the New Product Development division implements screening techniques to develop nutraceuticals and functional food products.

Founded in 1836, Kelley Drye & Warren LLP is an international law firm with offices in New York, Washington, D.C., Chicago, Stamford, Conn., Parsippany, N.J., and internationally in Brussels and India. The firm provides legal counsel in more than 20 practice areas that reflects the extensive experience, proven capabilities and industry expertise for which the firm's practicing attorneys are known.
