### **THREE NEW MEMBERS JOIN CRN**

WASHINGTON, D.C., *April 5, 2010* — The Council for Responsible Nutrition (CRN), the dietary supplement industry's leading trade association, is pleased to announce the following three members to its roster: Voting Member—DreamPak, LLC of Alexandria, Va.; and Associate Members—American Academy of Nurse Practitioners Foundation of Austin, Texas; and RNI Consulting, Inc. of New York, N.Y.

DreamPak develops innovations for the global nutraceutical market with convenient single-serve products. Covering every major nutraceutical category, DreamPak's products serve retailers, distributors, wholesalers, and importers/exporters.

The American Academy of Nurse Practitioners Foundation (AANP Foundation) was created by AANP in 1998 as an independently incorporated 501(c)(3) philanthropic nonprofit organization. Its mission is to advance the roles of nurse practitioners through the support of education, research and practice for the improvement of the public's health.

RNI (Regulations Nutrition International) Consulting offers global expertise for the international regulatory requirements of food supplements, dietary products and health products. With international offices in both France and Switzerland, as well as a domestic headquarters in New York City, the RNI Consulting team offers experts specializing in nutrition, health, consumer law and international law.
