

CITADEL INSURANCE SERVICES AND CORVUS INSURANCE UNION

In today's challenging marketplace, "Good Enough" is no longer **Good Enough**. The Dietary Supplement Industry and it's business is rapidly evolving and your Insured requires market intelligence and innovation that will respond suitably.

Citadel Insurance Services and Corvus Insurance have partnered to provide the Dietary Supplement Industry bundled first class risk solutions that are unrivaled, individualized and trailblazing.

Citadel's team will increase your capabilities with coverages and available coverage enhancements for General Liability/Product & Completed Operations Liability and Error & Omissions Liability. Corvus Insurance's Smart Cyber Liability coverage begins with a non-invasive Corvus scan, which delivers optimal coverage options and proactive on-going risk management.
