AND START SPREADING THE WORD ABOUT YOUR SUPPORTER STATUS

This year, in addition to a **Title Sponsorship Level** of our popular CRN Member Breakfast Briefing at SupplySide Global, we are offering a new **Supporter Level Sponsorship** for companies who want to increase their visibility at the show with our curated audience of dietary supplement and functional food industry attendees.

Invest \$2,500 as a **CRN Member Breakfast Briefing Supporter** to be recognized as a valued contributor to this experience for our member community at the show and get:

- **Visibility:** Supporters are listed on on-site signage, an on-site printed card handout, and digital communications before and after the event.
- **Traffic:** Each supporter's booth number will be highlighted — driving attendees directly to your space.
- **Community:** Recognition as a CRN Supporter demonstrates industry leadership and commitment.

**Signing on as supporter is a budget-friendly way** to amplify your presence, drive booth traffic, and show your commitment to advancing the industry.
